**JV Gold Coach Opening**

Mike Eischer wants to be the JV gold coach – he gave his spiel and we decided to wait until the general meeting to vote just in case there was other interest in the position.

**Budget Issue**

Paul talked about making some financial changes this year. Some discussion regarding these changes – one point being that we could always add them back in if we get donation funding. Paul made a motion to raise the gate fee \$1 across the board (\$4 adult and \$3 for kids/seniors), lose the \$50 discount for coaches and executive board members and lose the award banquet funds. (a savings around \$19,000). Seph seconded. All in favor.

**Scholarship Program**

Chris talked to Kelly Stoddard, the woman in charge of scholarships at the hs. We had an example of the application and guidelines. Erin and Kurt to stand up and talk about the kids receiving scholarships. There will be 2 girls and 2 boys - \$500 each. We need to decide by May 12 who will receive them. April 25 is the deadline to have in applications.

Chris motioned that the winner must meet these requirements:

- At least 3.0 GPA
- Have been in the Panthers Org at least 1 year
