

Attn: South Lyon Middle School Cheerleaders

Grades 5th through 8th

TUMBLING CLASS STARTING at SLHS

reserve your spot today!

Announcing the

South Lyon United

Cheer and Tumbling Club

A Tumbling Class is starting for South Lyon and area middle school cheerleaders and girls that want to try out for cheerleading at area high schools. Modern day cheerleading requires intermediate and advanced tumbling skills, along with athletic conditioning and advanced technique in stunting, transitions and mounts. In coordination with South Lyon HS, Coach Michael – tumbling coach for SLHS Cheerleaders, is starting a tumbling program for area Middle School students who want to increase their level of tumbling skills in preparation for high school cheerleading and/or their area youth programs. Please contact Michael Johnson (program director) for more details and information, or Coach Alana at South Lyon High School. Cost is \$65 per month for once a week class, \$95 per month for a twice a week class. The class lasts one hour long. Fees are due and payable at first class of the month. Class days will be M-W or Tue-Thur. Call for details. Please leave a message with name, phone number and email address for info.
