Commissioners' Reports

Football - Steve Caltrider – Talked about screw on cleats, if cleats wear down it leaves the metal exposed. League just wants the teams to be aware of this situation and pay attention. Referee issues, league wants communities input on whether to go with different providers this year.

New this year, face shield on helmets must be clear.

If a player arrives late to a game, the league wants to change the rule and allow that child to play. As it stands right now, if they are late they don't play.

Fenton was made an official member.

Cheer/Pom - Kim Dillon – Talked about doing a coaches clinic at league level. Discussed upcoming festival.

Registration Report – Heather Camacho –

Not able to cap numbers on a team until registration is complete.

Numbers as they stand right now, 141 Jv players, and roughly 85 Varsity players. Waiting list from previous year had approx. 20 kids that will be going into the 8th grade this year.

Freshman numbers will be determined at registration.

Families that did not do their volunteer time will lose their veteran status for upcoming season.

Payment for registration will be due **at** registration this year.

Final registration date will be: Veteran Football March 29, New Football March 30, and Veteran and New Cheer/Pom will be combined on April 12.
